The screenshot shows a Linux Mint virtual machine window titled "linux mint [Running] - Oracle VM VirtualBox". The desktop background is dark with a grid pattern. On the left, there are icons for "Számítógép" (Computer) and "Saját mappa" (Home). A terminal window is open in the center, titled "gabo@gabo-VirtualBox: ~/Dokumentumok". The terminal shows the command `sudo du -hc --max-depth=1` and its output:

```
gabo@gabo-VirtualBox:~/Dokumentumok$ sudo du -hc --max-depth=1
52K  ./DWCPH5
56K  .
56K  összesen
gabo@gabo-VirtualBox:~/Dokumentumok$
```

The screenshot shows the same Linux Mint virtual machine window. A terminal window is open, titled "gabo@gabo-VirtualBox: ~/Dokumentumok/DWCPH5/fa". The terminal shows the command `sort listing` and its output:

```
gabo@gabo-VirtualBox:~/Dokumentumok/DWCPH5/fa$ sort listing
alma
banan
barack
narancs
szilva
gabo@gabo-VirtualBox:~/Dokumentumok/DWCPH5/fa$
```

At the bottom of the terminal window, a status bar indicates: "listing" kijelölve (33 bájt), Szabad hely: 88,4 GB.
